ABOUT ME

My Portfolio Website :
https://ynt423.github.io/

This is Oscar. I am a student with a passion for cloud technology and data science. My aspiration is to become a data analyst, leveraging my strong adaptability and communication skills to extract meaningful insights from vast amounts of data. I thrive on challenging projects that push me to expand my knowledge and skills. I am constantly seeking opportunities to develop new abilities and keep learning in this ever-evolving field. I believe that my passion for technology make me an excellent candidate and I look forward to contributing my expertise to the IT industry.
